

Replacement

Does for me

- Chatbot handling inquiries without human intervention
- Books meetings and emails responses without manual input
- Generates a full policy brief with limited input
- Drafts scenario scripts

Michael Baskin

Complement

Helps me do stuff

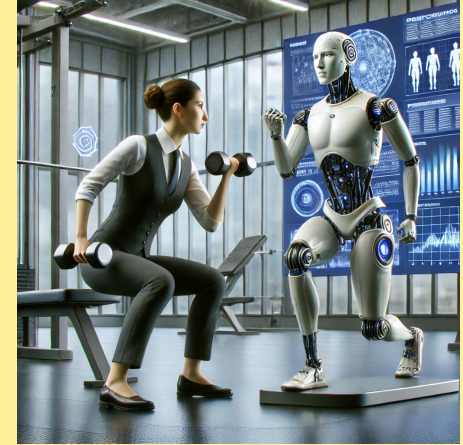

- Analyzes scenarios and presents pros/cons
- Generates first draft from my outline notes
- Provides feedback on my meeting agenda
- Surfaces action items and key themes from a meeting
- Improves clarity of written work
- Helps me with planning

Michael Baskin

Practice Partner

Gets us ready

- Engages our team in a evolving scenario game and provides feedback
- Helps me to move from planning to practicing
- Runs simulations responsive to my actions
- Conducts mock media interviews and grillings from boards or councils
- Acts as a counterparty in negotiations
- Coaches my presentation and public speaking
